## INSTRUCCIONES

El juego es el clásico búsqueda del tesoro. Se trata de encontrar un pequeño tesoro después de seguir todas las pistas.

La sorpresa puede ser, por ejemplo, un chocolate, un pequeño regalo o cada día un vale que al final de los 5 juegos se convertirá en un detalle.

Cada hoja es un juego diferente que consta de 5 pistas. Están ordenadas según el nivel de complejidad.

La primera pista se debe entregar en mano. Le llevará a donde está escondida la segunda pista, que a su vez le dirá donde está escondida la tercera y así consecutivamente. La pista número 5 le indicará dónde se encuentra el tesoro.

A continuación está el resumen de dónde se tiene que esconder cada pista.
